

Cubic Boy Wireless IP Camera

Cubic Boy is quiet and lovely, he is your knight, always be there and wait for you. Many powerful functions like night vision, sensitive motion capture function, two-way communication, also time display. It will be much more comfortable to talk with a cute boy than an unfriendly monitor, which is our purpose: Make monitoring become accompanying.

Technical Parameters:

| Model | | A380 |
|----------------------------|------------------------|--|
| Operating System | Compression Technology | New optimized H.264 Baseline Profile compression algorithm |
| | Sensor Type | 1.3 million CMOS sensor |
| Video | Resolution | 1280*960 |
| | Frame rate | 1-25fps |
| | Minimum Illumination | Daytime mode 0.1 LUX, night vision mode 0.01 LUX |
| | Signal to noise ratio | ≥38dB |
| | CMOS Performance | Supports automatic white balance, automatic gain control, automatic back lighting compensation |
| | Lens/visual Angle | 3.6 mm megapixel @f1.4/74' |
| | Audio | Coding Standards |
| Audio Input | | Support - 38dB microphones |
| Pan-Tilt | Control | Level 355, up and down 60 degrees |
| Network | Network Interface | 10Mbps / 100Mbps ADAPTS to the RJ45 interface |
| | Network Protocol | TCP/IP, HTTP, TCP, UDP, SMTP, DHCP, DNS, P2P, etc |
| | Wireless | WIFI802.11 b/g/n wireless network |
| Security Function | Alarm Input | 433 band learning wireless sensor alarm input |
| | Alarm Detection | Maximum available 64 wireless alarm sensor, support one key close/withdrawal |
| | Motion Detecting | support |
| Clock | Time / date / year | support |
| APP | | Yosee (interesting) |
| System Requirements | System Configuration | Ios7.0, version 3.0 |
| Other | Onvif protocol | support |
| | Power Supply | DC5V2A |
| | Working Temperature | -10°C~+50°C |
| | Working Humidity | ≤80%RH |

| | | |
|---------------------|---------------------|---------------------|
| Package Size | Single Weight | 640g |
| | Single Package Size | 307*148*110mm |
| | FCL Weight | 19.2kg/22PCS |
| | FCL Packaging Size | 635*420*580mm/22PCS |
